

# Homework 4

*(Due Sunday at midnight)*

## Part 1:

1. Using your template, create a brand new web page. Create a form with a text box (this is different from a textarea).
2. Add a submit button
3. Add a radio button
4. Add a checkbox
5. Add a select box
6. Add a textarea
7. You're done with forms. Now add some comments to your web page basically saying that you just created a form here. (We're just practicing comments and forms here)
8. Make sure everything validates.

Make sure everything validates!
