Response

Loving God, hear us.
Embrace their hearts, their hopes, their home.
Let love in duty, and love in beauty
Wherever it is found in years to come,
When joys are deepest, where pubes are sweetest,
When God and guide their chosen life.
This love confessing, send from your blessing
Sealing the vows shared by husband and wife.
Here, in your presence, love is the essence
Dare to begin what none dare end.
Love, in the morning, love, in the car, etc.
Parents to children and friends to friends,
Binding each other, Father to mother,
Of all your sons on earth displayed.
Love is the treasure, love is the measure,
In those free images each life it is made.
God beyond glory, gracious and holy,
God beyond glory, gracious and holy,
In your presence, love is the essence.
Here, in your presence, love is the essence.

Morning has broken, like the first morning,
Blackbird has spoken, like the first bird.
Praise for the singing, praise for the morning!
Praise for the sweetness of the world, praise for the singing, praise for the morning!
Last broken word spoken, like the first word.
Morning has broken, like the first morning,
Morning has broken, like the first morning.

Embrace their hearts, their hopes, their home.
