

Meeting Notes

Attendees: Rajesh, Len, Chien-Chung, Bohan, Li and Steven

Date: Sept. 17, 2014

1. Rajesh introduced himself and informed us that, over the last 6 months, the coexistence of WiFi and LTE has attracted attention. In the recent 3GPP meeting, the LTE-U study group has been approved.
2. Initial tasks:
 - Get a good understanding of what people have been proposing over that last 6 months, including background survey.
 - Look at the documents accepted into 3GPP.
 - Develop a problem statement, including both near-term and long-term problems.
 - There are ten presentations about LTE-U from a workshop held in Paris. Rajesh will send these slides to us using the DropBox link provided by Chien-Chung.
 - Qualcomm has a website on LTE-U.
3. Chien-Chung indicated that they have the NS3 infrastructure setup and can do some simulations quickly.
4. Meeting schedule:
 - Meet with Rajesh every two weeks on Tuesdays at 11:00 am (about 30 minutes). The next meeting will be on Sept. 30.
 - The UD people will meet every two weeks on Wednesdays at 10:00 am (about 1 hour). The next meeting will be on Sept. 24.
