

## 【忆少年】二郎二十

许秋雨，2019年9月29日

今日廿九，今月零九，今年十九。

二十花年前，正一九九九。

多少次送夏迎秋。

二郎你、说走就走。

现查里河畔，是否仍依旧？

【Remembering the youth】 The Second is 20 today

Today is twenty nine, this month is zero nine, this year is nineteen.

Twenty flowerlike years ago, it was one nine nine nine.

How many times we have sent summers and welcome autumns.

The Second, you go whenever you want to.

Now at the side of Charles River, are you the same as before?
